

Services Scope – The e-dealer portal

The e-dealer portal strives to provide you with extensive and comprehensive services that can improve your business. We not only offer dealers automotive solutions, but we also provide marketing, design, and security services. We know that there is much more to a business than simply buying and selling, which is why we at the e-dealer portal make your business our top priority.

Below we have listed our various services with a brief description of each to simplify your browsing experience. Your time is as valuable to us as our own, so contact us if any of our services interest you. We will put you into contact with our relevant professional as soon as possible.

Vehicle Management

Dealers can use this interface to track and manage their listed vehicles. This interface allows you to view your vehicles' details and status. From here you can also mark your vehicles as sold or delete a listing.

Load Stock

This page allows you to add vehicles or bikes to your listings. After filling in all your relevant information (vehicle details like VIN, make, transmission etc) and uploading images of your stock, you can add a listing to either your retail or wholesale pages.

Vehicle Valuation

If you are unsure of your vehicle's value (either retail or wholesale), you can use the buttons listed to calculate it. The button allows you to scan your licence and automatically populate the fields of our valuation form. From here you will be taken to a page where you can load any damage to your vehicle. After valuating your vehicle, you can download and print your valuation report.

Dealer Stock Services

Use this page to track your listed vehicles and view their movement. This page gives you the descriptions and details of all of your listed vehicles so that you can monitor every aspect of your listings.

Trade Stock

Here you can auction or trade in your stock. Our auction page shows our wholesale listings on which only a closed group of registered dealers can bid. Our Trade In page allows you to fill in your vehicle details and we will contact you with further steps. We will give you regular updates regarding the vehicles up for auction. You will be notified via email when someone places a bid, when a car has been sold, when a new car has been listed, and much more.

KPI Operational

The Mobility Team provides your business with a KPI Dashboard to help you optimise your business on a daily basis. One of the key focuses of our KPI Dashboard is to show you how much you are spending per vehicle on a daily basis before there is an active buyer.

Enquirer Book Value

If you are unsure of the value of your car or services, please make use of the form below. We will make sure you get the most accurate book value to ensure a fair and profitable sale or purchase. We give you the most accurate value for your vehicle by making use of two different interfaces for correct data. After your vehicle has been valued, you can choose to keep it as a retail or wholesale listing.

Book Email Campaign

Unlike with some marketing techniques, the success of your email campaigns can be measured. This page allows you to tailor your approach until you find an effective strategy that suits your goals. You can create effective email campaigns by working with our designers and SEO experts.

Book SMS Campaign

Short, effective, and convenient – SMS campaigns are the unsung heroes of digital marketing. Work with us to create an engaging campaign that your customers will be happy to receive. We help you to reach your clients through personalised SMSs regarding birthdays, promotions, and upcoming events.

Web Hosting and Design

Your website might be where the bulk of your business happens. If that's the case, you need to have a website that is not only a pleasure to visit and browse, but also easy to access and navigate. Let us help you create a website that is user-friendly, professional and above all else, functional. We also offer web hosting to ensure that you get the best value for your money.

Logo/Graphic Design

Your logo is not only how your clients recognise you, but its also what is going to leave a lasting memory long after business has been finalised. Allow us to create a logo that you can be proud to show your clients. We also offer graphic design services for any of your marketing or website needs.

SEO And Social Media

The power of social media is unchallenged. Let your business go viral with the help of our SEO and social media experts and prepare to be blown away by the results. Contact our team with your specific social media or SEO needs and we will guide you through the process of implementing new marketing techniques.

Promotional Items

Here you can keep an eye out for our promotional items. You can also find unbelievable deals on various products and services. These are subject to availability, so make sure you remember to check out this page for more information.

OHSACT Audit

Our Occupational Health and Safety Act (OHSACT) audit is a risk-based, systematic and documented process meant to manage areas and processes that are considered high-risk. We audit how your business is implementing the OHS system and report our findings so that you can change or maintain your business's standard.

Transport Vehicles

We know that your vehicles are what mobilise your business and that without them, there is no going forward. This page allows you to fill in your required transport service, your preferred pick-up and delivery dates, and any additional details. Make sure that when it comes to transporting your vehicles, you choose the most reliable, efficient and safe way to transport your vehicles to where they need to be.

Order Your Vcards

This page links you to our Mobility Vcard website. Here you can conceptualise and design your Vcard. A Mobility Vcard is a digital information hub that connects all your interactions with your potential customers. You can share your Mobility Vcard through text, email, QR code or even your own custom URL that can be shared on any social network.
